VT Summer Research
Symposium

July 27th, Goodwin Hall
9:00am - 5:00pm

Presenter Abstract Submission Form

Deadline: July 16th, 2016 @11:59pm

Virginia Tech's Office of Undergraduate Research is hosting the VT Summer Research Symposium in Goodwin Hall at Virginia Tech on Thursday July 27th, 2017. This conference is aimed at offering undergraduate researchers and participants in organized summer research programs the opportunity to gain experience communicating their research. All presentations will be in POSTER FORMAT. Presentation guidelines and requirements can be found here:

<http://research.undergraduate.vt.edu/students/sur.html>

Each organized summer research program will nominate one presenter/group to give an oral presentation. If you are interested in giving an oral please let your faculty mentor and program Director/Coordinator know.

Registration is free. If you are presenting as a team/group, please only submit one registration form but list all members of your team.

This conference is a collaborative effort made possible with support from: The Fralin Life Science Institute and Office of Vice President for Research.

If you have any questions, please contact Keri Swaby in the Office of Undergraduate Research at kswaby@vt.edu or Melissa Ripepi at mblythe@vt.edu.

Presenter Information

Presenter Last Name:

Presenter First Name:

Email:

Are you participating in a Research Experience for Teachers (RET)?

- Yes
 No

Home Institution

- Virginia Tech
 Other, Please Indicate

Year you Plan to Graduate with your Bachelor's Degree

- 2017
 2018
 2019
 2020
 Other, Please Indicate

Primary Major

Name of school where you teach

Subject(s) you teach

Project Information

Faculty Mentor Name:

Faculty Mentor Institution and Department (Example: Virginia Tech, Psychology):

Faculty Mentor Email:

If you had more than one mentor for the project, please give their name, institution, and department below:

Which of the following best describes the type of research you conducted this summer?

- For Academic Credit
- For Pay, Hourly Wage
- As Part of a Special Program for a Stipend/Fellowship (such as an REU or RET)
- As a Volunteer

If you participated in an organized research program this summer, pick all that apply:

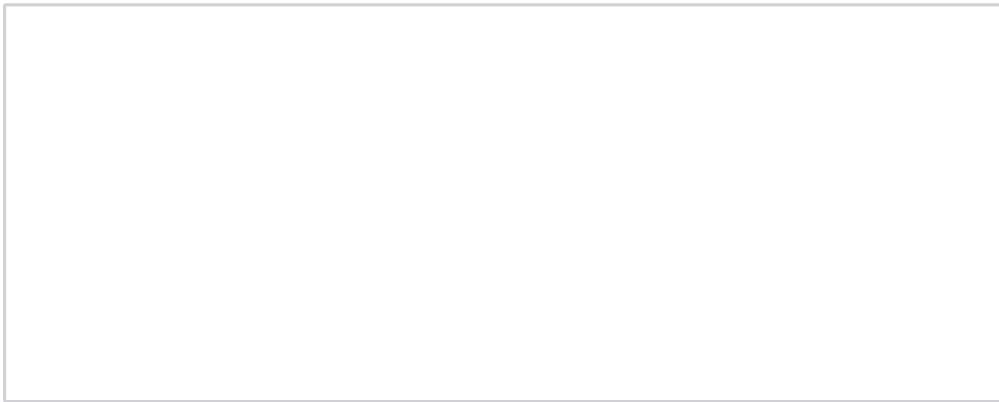

- Fralin SURF
- Interdisciplinary Water Eng & Sci REU
- Translational Obesity (TOUR)
- MAOP
- VT-VCCS B2B
- Space @ VT
- Food Energy Water Ssystems REU (FEWS)
- VT REEL/SURF (Securing Our Food)
- Global Forum (GFURR)
- ACC Creativity & Innovation
- neuroSURF
- Molecular Visualization SURF
- Biomechanics RET
- Water ECubeG RET
- Other

Title of your Project

Abstract (250 word, max)

The abstract should include the following

1. Statement of the research question(s) or goal(s) of the project
2. Purpose of the study or creative works (i.e. big picture and where it fits in)
3. Methods or description of creative/analytic processes used
4. Summary of results or description of project outcome(s)

You may upload a formatted copy of your abstract in Microsoft Word here to show key formatting elements.

Presentation Information

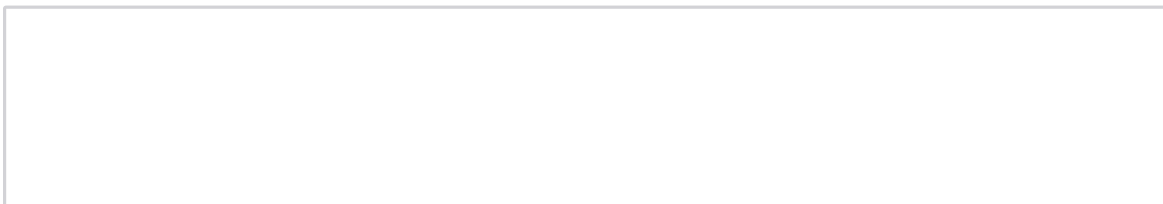

Are you presenting with a group or partner?

Yes

No
