

Roadmap to Getting Started with Undergraduate Research

Identify Your Interests

- Why do I want to do research?
- What am I curious or passionate about?

Inquire

- What type of experience do I want?
- When do I want to get started?
- How much time do I want to commit?

Find Faculty and Programs

- Who is performing work in this area?
- What research programs are there?

Connect and Apply

- Send a professional email and attach your CV or resume
- Apply through a formal application

OFFICE OF UNDERGRADUATE RESEARCH
